

# LIGHTING TASK LAMPS

Revised 07/04/2011

				
	Air	Bergen	Calypso with Louvre	Movero
Part Number	LX-AIR-*	EM-BERG01	LX-CAL-L*	LX-MOV-*
Dimensions (Packed) (H x W x L)	122x590x216	108x223x510		60x200x575
Dimensions (Un-Packed) (H x W x L)	25x201x1050	70x135x480	560x180x610	40x15x610
Weight (Packed) (kg)	1.5	2.6		1.9
Weight (Un-Packed) (kg)	0.9	2.4		1.4
Material	Metal	Metal	Plastic	Metal
Type (Halogen/ Fluorescent)	Halogen	Flourescent	Flourescent	Flourescent
Wattage (Number)	35	18	13	18
Height Adjustable Range (mm / NA)	1005	268		
Louvre Available (Y/N)	N	Y	Y	Y
Instant Adjustable (Y/N)	Y	Y	Y	Y
Clamp Fitting (Y/N)	Y	Y	Y	Y
Table Base (Y/N/O)	O	O	O	O
Lux Rating (Number)	500	100	400	400
Reduced Flicker (HF)(Y/N)	N	Y	Y	Y
Asymmetric Light (Y/N)	Y	Y	Y	Y

O = Optional    Y – Yes    N - No

We recognise the need for functional and effective office lighting. It should be free from glare and reflection and should not disturb others going about their daily routine.

Operators should have control over the amount of light cast on their primary working area and the varying requirements of different ages and Capabilities must be taken into consideration.

A lux of 500 is recommended for the task area. Surrounding areas may be lower.
